

A CALL FOR ALL ERITREANS IN BOSTON AND SURROUNDINGS

Candlelight Vigil

The Eritrean-American Civic Association of Boston is holding a candlelight Vigil at the Eritrean-American Civic Association center on Sunday, April 17, 2016, at 7 pm in memory of the youth who were killed in broad daylight by the PFDJ regime in Asmara, Eritrea on April 3, 2016. Please join us for the vigil and show your support for the Eritrean people who are under constant threat of imprisonment and death. Let us show the authoritarian regime that is ruling the country with impunity and cruelty that we are united and that we stand for rule of law, justice and democracy.
